United States v. Terry J. Albury, 18 cr 67 (WMW)

Dear Judge Wright:

We are in receipt of the Judgment in the above case issued today.

We are concerned that with that certain language in the Court's recommendation to the Bureau of Prisons today may prove problematic for Mr. Albury, and we note that it differs from that in your Order of October 24, 2018. The Order recommends Sheridan or Englewood; the Judgment states FCI Sheridan or FCI Englewood.

FCI Sheridan is a Medium level security facility; FCI Englewood is a Low level security facility.

Both facilities would be dangerous for a former law enforcement officer. Also, these two FCIs do not have the RDAP program.

Ideally, we respectfully request that you issue an Amended Judgment recommending to the Bureau of Prisons that Mr. Albury be designated to the Federal Prison Camp at Sheridan, Oregon or the Federal Prison Camp at Englewood, Colorado. Both are safe facilities for a law enforcement officer and both have the RDAP program.

We ask that this letter be filed under seal since it addresses sensitive issues.

Thank you for your attention to this matter.

Respectfully submitted,

JaneAnne Murray
